

MILLENNIUM-INTERNATIONAL LTD

**A full service yacht management company
specializing in fractional ownership sales of luxury motor yachts**

Fractional Ownership

Tired of paying the high yearly upkeep on your yacht for only a few weeks of use per year? You might consider selling part of your yacht in our fractional ownership program. You can recover a portion of your initial investment, reduce your share of the yearly maintenance costs and still use your yacht as before. We will gladly explain all details.

Full Service Management

Millennium International, together with a number of cooperating partners, is offering the discriminating yacht owner full service professional management for small to medium sized yachts. If you are interested in red carpet management of your yacht, please call us for a personal meeting.

Yacht Registration

Register your yacht as a commercial vessel and save the VAT on fuel, one of the many benefits of commercial registration. We specialize in commercial registration of your yacht. Retain your present management company, but let us register your yacht commercially. Details are only a phone call away.

Yacht Insurance

Let one of our insurance specialists analyze your present insurance coverages at no charge or obligation to you. You will receive a written report detailing your present coverage and recommendations for changes, if appropriate. This includes property insurance, liability insurance, insurance for your crew such as health insurance and social insurance. Our insurance experts are always ready for a personal meeting to discuss details.

Luxury Motor Cars

We can assist in the purchase, lease or rental of luxury motor cars. Let us handle all the details for you.
